Note: The above is a suggested format for the mandatory disclosure of the above information; however, the licensed midwife may choose to use another form, as long as all required information is included.

BUSINESS AND PROFESSIONS CODE Sections 2507 and 2508

PRACTICE AUTHORIZED

- 2507. (a) The license to practice midwifery authorizes the holder, under the supervision of a licensed physician and surgeon, to attend cases of normal childbirth and to provide prenatal, intrapartum, and postpartum care, including family-planning care, for the mother, and immediate care for the newborn.
- (b) As used in this article, the practice of midwifery constitutes the furthering or undertaking by any licensed midwife, under the supervision of a licensed physician and surgeon who has current practice or training in obstetrics, to assist a woman in childbirth so long as progress meets criteria accepted as normal. All complications shall be referred to a physician immediately. The practice of midwifery does not include the assisting of childbirth by any artificial, forcible, or mechanical means, nor the performance of any version.
- (c) As used in this article, "supervision" shall not be construed to require the physical presence of the supervising physician.
- (d) The ratio of licensed midwives to supervising physicians shall not be greater than four individual licensed midwives to one individual supervising physician.
 - (e) A midwife is not authorized to practice medicine and surgery by this article.

DISCLOSURE TO CLIENTS

- 2508. (a) A licensed midwife shall disclose in oral and written form to a prospective client all of the following:
 - (1) All of the provisions of section 2507.
- (2) If the licensed midwife does not have liability coverage for the practice of midwifery, he or she shall disclose that fact.
- (3) The specific arrangements for the transfer of care during the prenatal period, hospital transfer during the intrapartum and postpartum periods, and access to appropriate emergency medical services for mother and baby if necessary.
 - (4) The procedure for reporting complaints to the Medical Board of California.
- (b) The disclosure shall be signed by both the licensed midwife and the client and a copy of the disclosure shall be placed in the client's medical record.
- (c) The Medical Board of California may prescribe the form for the written disclosure statement required to be used by a licensed midwife under this section.
